Sir:

In response to the Office Action of April 10, 2002, please
amend the above-captioned application as follows:

IN THE CLAIMS

Please cancel claims 1-30, without prejudice or disclaimer.

Please add the following new claims 31-35 (Exhibit I contains
a marked up version of the amended claims):

31. (Amended) A transmission rate control apparatus
comprising:

reception circuitry that receives a received quality measured
at a communication terminal; and

transmission rate control circuitry that changes a transmission
rate to said communication terminal based on the received quality,
